

The James Gang

704-873-3349

Welcome, we are the "JAMES GANG" and we make Homemade Pet Treats for your dogs, cats and rabbits.

The Gang is: Angel, a Cavalier King Charles Spaniel, Channah, a min/toy Schnauzer and then there is Moses who is a 3 lb. Florida White, Netherland Dwarf, Albino Rabbit who are at the Farmer's Market to greet you weekly.

We have a nice variety of flavors of treats for your pets that are made of top quality natural ingredients made by hand by Nancy in Statesville, NC.

We also have COOLING ties, mats and scarves to keep you and your pets cool. We call them "Chylle." When it gets cooler, we have dresses and shirts and reversible winter/rain coats for your pets also.

We have a wonderful pet soap that Carolyn (Jordan) makes. For your cats we have assorted Catnip items.

Everything we sell at the Farmers Market is home-made and hand-made by me, Nancy. The treats are cut out one at a time. Come to the market and see us--Lyle and Nancy and our Gang!
